## CHANDELIER EARRINGS

Elegant chandelier earrings bring the look of sophisticated glamour to even the simplest outfits. These large dangling earrings have been worn by women in India for centuries and have been popular with contemporary women for some time. Their length ranges from one-and-a-half to two-and-a-half inches. They can include crystal beads, diamonds and colored gemstones, fresh water pearls, gold and platinum. In fact, chandelier earrings are something of a "red carpet" phenomenon, having been displayed on the ears of movie and TV stars at award ceremonies. Their versatility enables them to be worn with jeans and tops in addition to strapless gowns. One pair of chandelier earrings can go anywhere and are a great accessory to wear to holiday parties.

HAIG'S OF ROCHESTER FINE JEWELRY has a wide selection of beautiful custom, contemporary and antique earrings perfect for holiday get-togethers and New Year's celebrations.
