WHAT'S IN STORE

If we were to gaze into our crystal ball to see upcoming jewelry trends, we would see that the "less-is-more" philosophy predominates. This is not to say that by "less" we mean "smaller." Instead, wearing one large, bold, gemstone piece is preferable to wearing many smaller, less-conspicuous pieces. Along these lines, think of a single diamond-studded cuff bracelet or a one-of-a-kind antique cocktail ring. In fact, cocktail rings that are large enough to catch eyes and spark conversation have been part of a growing trend for some time. The more unique the gemstone, the bigger the impact it will create. Even men can get in on the trend by incorporating bold, colored diamonds into bracelets, cuff links or rings.

The cocktail ring is such a great accessory this season - particularly for holiday parties! The large stone makes a strong statement. HAIG'S OF ROCHESTER FINE JEWELRY is a full-service jewelry store.
